COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Examiner Wozniak:

The Applicant respectfully requests that the following Comments on the reasons
for allowance be added to the file.

Application No. 09/681,266

G.E. Docket No. 15-UL-5709

REMARKS

Claims 1-24 are allowed. The Applicant notes, however, that claims 1-24 were not pending in the application at the time of allowance. Rather claims 1-4, 6-10, 12-17, 19-21, and 23-24 were pending at the time of allowance and are considered allowed. The Applicant appreciates the Examiners allowance of these claims and respectfully submits the following Comments on the Statement of Reasons for Allowance:

The Applicant respectfully submits that the Reasons for Allowance may potentially import interpretations into the claims in relation to the prior art that are unnecessarily limited and may place unwarranted interpretations upon the claims.

Such a characterization of the claims in view of the prior art may not properly take into account the Applicant's claimed invention as reflected in the claims, the specification and the prosecution history of the present application. Applicant believes that the claims, the specification, and the prosecution history in their entirety provide an adequate basis for the allowability of the claims.

Additionally, specific parts of the Examiner's reasons for allowance may pertain to limitations appearing in some of the claims, but not others of the claims. The Applicant respectfully submits that the Examiner has thoroughly examined the claims, recognized the limitations appearing or not appearing in each of the claims, and properly found the claims to be allowable based on the record.

For example, the present allowed claims include independent claims 1, 7, 13, 20, and 23. In the Reasons for Allowance, the Examiner recited various portions of claims

Application No. 09/681,266 G.E. Docket No. 15-UL-5709
from which no reference in the prior art disclosed or made obvious. However, the
Applicant submits that no reference in the prior art discloses or makes obvious the claims
as a whole, as opposed to individual limitations.

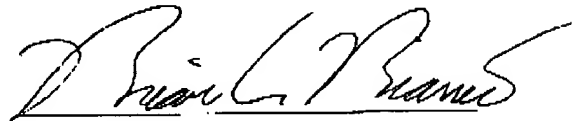

CONCLUSION

If the Examiner has any questions or the Applicant can be of any assistance, the
Examiner is invited and encouraged to contact the Applicant at the number below.

The Commissioner is authorized to charge any necessary fees or credit any
overpayment to the deposit account 070845.

Respectfully submitted,

Date: February 14, 2006
